

To all distinguished members of the Judiciary Committee:

I am requesting you to OPPOSE SB 16, An Act Addressing Gun Violence and Juvenile Crime.

Not only does this bill entail very little effort to truly terminate juvenile crime and gun violence in Connecticut, nonetheless it is taking away the liberty of law-abiding gun owners. Devot gun owners are seeing enough of a decline in their second amendment rights, and the proposed bill is focused on legally owned firearms.

Please OPPOSE SB 16 and take into consideration my thoughts on the following bills:

SUPPORT SB 388: An Act that allows citizens to defend people and their dwelling, their place or work or motor vehicle. It is a God given right to defend yourself and your loved ones, and there should be no limitations to that based on your location. Please allow legal gun owners to have the freedom to protect as needed.

SUPPORT HB 5412: An Act concerning the Duty Retreat in a religious house of worship. Evil has no boundaries, please allow legal gun owners to protect themselves as they see fit.

SUPPORT HB 5415: An act concerning the transfer of assault weapons and large capacity magazines. Transferring amongst properly licensed and vetted individuals of such items is heavily documented enough and under no circumstances should be against the law.

OPPOSE HB 5416: An Act concerning bulk purchases of pistols and revolvers, this is an injustice to law abiding citizens, under no circumstances should one be told how many pistols or revolvers they can purchase a month.
